New and Liberal Homestead Regulations in

WESTERN CANADA

New Districts Now Opened for Settlement

Some of the choicest lands in the grain growing belts of Saskatchewan and Alberta have recently been opened for settlement under the Revised Homestead Regulations of Canada. Thousands of homesteads of 160 acres each are now available. The new regulations make it possible for entry to be made by proxy, the opportunity that many in the United States have been waiting for. Any member of a family may make entry for any other member of the family, who may be entitled to make entry for himself or herself. Entry may now be made before the Agent or Sub-Agent of the District by proxy, (on certain conditions) by the father, mother, son, daughter, brother or sister of intending homesteader.

"Any even numbered section of Dominion Lands in Manitoba or the North West Provinces, excepting 3 and 20, not reserved, may be homesteaded by any person the sole head of a family, or male over 18 years of age, to the extent of one-quarter section, of 160 acres, more or less."

The fee in each case will be \$10.00. Churches, schools and markets convenient. Healthy climate, splendid crops and good laws. Grain-growing and cattle raising principal industries.

It was growing very late, but the young man in the parlor scene showed no signs of making a home run.

"Why do you think so?" queried the unsuspecting Borem.

"I thought perhaps you imagined yourself in the Arctic regions, where the nights are six months long," she explained.

And 30 seconds later he had faded into the glumbersome gloom.
